Do the same for the long body strap.

VARIOUS HOOKING OPTIONS FOR THE SHORT SHOULDER STRAPS

OPTION A

Hook the shoulder strap from the cup (Hook 1) to the side of the underwire (Hook 2) of your Back to Glam bra.

OPTION B

Hook the shoulder strap from the cup (Hook 1) to the side of the back triangle of your Back to Glam bra (Hook 3).

TIPS FOR FILLING OUT THE CUP

Small removable pads called "Cookie".

The **cookie** allows you to fill in the space.

To give your breasts a pretty pear shape, place the "cookies" in the base of the cup.

ATTACH THE HOOKS

Place the little leg catches of the safety hook inside the small loop.

Make sure the loop passes through the big middle leg catch.

Then pull the leg catches over the top of the loop.
